

Hightower

Simple, clean wall hook Carmen invites users to personal items as they arrive while it gives workspace entry areas a warm wall accent. Carmen is a wall hook and then some.

Walter is designed to be a graphical wall element providing the perfect landing place for small personal items. Think of Walter in entry ways, over desks, or in meeting rooms. Made from powder coated steel (so plenty of color options), Walter has small hooks to hang keys, cables, and other items, keeping them ready to go.
